*Sign-ups start at 6:30 pm. Arrive warmed up. We will have you sing 2 exercises to hear your vocal range/quality.*

**REQUISITE SKILLS**

First and foremost, we are looking for people who want to have fun in the jazz style of vocal ensemble music! While reading music is not required as a starting point, you will be expected to learn your way quickly around a musical page, so you can keep up in rehearsal. Don't worry! We can pair you with a seasoned veteran to help mentor you; we just ask that you be eager and ready to learn.

Additionally, you should be able to match basic pitch. You must also be willing to practice language, notes, rhythms, vocalism, and artistry on your own outside of rehearsal to reinforce what we accomplish in the rehearsal and to learn whatever you may not have picked up in the allotted rehearsal time. This commitment may require as little as 15 minutes a week, if you are a great reader, or perhaps 2-3 hours a week, if you are a beginner and/or struggling. We regularly provide online tools as well as tutoring to help you improve and become more efficient in your practice.
