4) Approval of Minutes from Last Meeting

- a. Motioned by Soccer Club to approve the minutes from the last meeting
 - i. Seconded by Psychology Club
 - ii. Unanimously Approved

5) Public Comments(2 mins per person)

- a. *Caitlin Corker, A.S Vice President*- She talks about the importance of joint council and the judicial board. She needs 8 members for joint Council and 3 for the Judicial Board. She says that she would appreciate volunteers but might have to start forcing delegates to take on joint council and judicial board roles. She goes on to explain how the joint council and judicial board work. She also answers a few of the questions that delegates have about joining. She tells them to sign up at the end of the meeting at the front of the room.
- b. *Andrea Gonzalez, A.S Dir. Sustainability*- She introduces herself and welcomes the Delegates and thanks them for being here today. She talks about the “Zero Waste” policy and the “Sustainable” policy that clubs must adhere to when creating their events. She also tells them that they need to request biodegradable or compostable cups and plates for their events. She gives them her email if they have any questions.
 - i. *Maya Kaitel*- Asks speakers to please limit comments to 2 mins/person
- c. *Micheal Angelo*- He tells the delegates about the treeman project on October 23rd. He also talks about sustainability week and the beach cleanup that is going to happen right after on that Friday. There also might be a speaker from the Santa Monica Department of sustainability.
- d. *Chess Club*- The delegate from chess club expresses his distaste of how the ICC handles its events and organization for club paperwork and during inter-club events. He also expresses his feelings that Riz, the ICC Comm officer was unprofessional towards him during a previous meeting and wanted the other clubs to be aware.
 - i. *Maya Kaitel*- Replies that this is not an appropriate comment for this forum.

6) Health Department Presentation, Babak Tamjid (10-15mins)

- a. *Sonali Bridges, Associate Dean of Student Life*- She talks about all the new changes within the Proposal system
- b. *Babak Tamjid*- Explains that he was previously a student at Santa Monica College, and that he is here today to speak about food safety and make sure that students carefully serve and prepare food in accordance to health department safety codes. He talks about pre-packaged food and that all food with a protein

content of more than 45% needs to be maintained in hot or cold storage. There needs to be hand washing at every station.

- i. Motion by *Psychology Club* to extend time by 5 mins
- ii. Seconded by *Astronomy Club*

He continues to inform the delegates about health code policy

7) Club Row Proposal Presentation, Hasun Khan (10 mins)

- a. He talks about the A.S fiscal policy and explains the process of turning in and submitting proposals. He talks about Auxiliary Services and the special finance meeting that is going to take place on October 15th, 2014 that will deal with all the club row proposals and paperwork.

- i. Motioned by *Psychology Club* to extend time by 2 mins
- ii. Seconded by Future Alumni Club

He continues to talk about the proposal process and explains the issue of Auditors

8) Community Service A.S, Yana Demshko (10 mins)

- a. She introduces herself as the A.S Director of Community Relations and talks about her work in the Community Service program. She explains that a system will be set up and implemented that will allow for students to easily sign up for community service and internship programs. Some of these service programs include Museum tour guides, and working at Animal Shelters. Part of this program is dedicated to working with Clubs
