**IV. Discussion Items**

**4.1 Spring 2019 Events: Activities to have during the 2019 Spring Semester**

- Bring back Club Olympics
- **Club Awareness:** March 28th during Activity Hours
  - Purpose is to inform students about clubs; and promote awareness for each club.
  - Idea: Have there be a theme to attract students. Have a format for all clubs to follow
  - Problem is that clubs will have to go through proposal process, along with bigger clubs having an advantage.
  - Suggest to clubs to have 3-5 bullet points to state the club's mission for the semester and be presented on a table to be visible
  - In ICC Board Meeting there was discussion about having a playlist instead of having a DJ.
  - Idea: Have club officers compete with other club officers to get 2 minutes on a mic and promote their club.
  - Games: Water balloon toss (2-3 minutes)/ egg walk = award is that they get the mic
  - Goal is for clubs people to have fun and attract new members
  - Playlist is off→ Top 40, 3-5 visual bullet points, game between different club officers and winner gets to shoutout their club
- **Club Row:** April 25<sup>th</sup>
