

PNCA 5k Transfer Scholarship Promise

Pacific Northwest College of Art (PNCA) awards all admitted students a merit-based scholarship which is renewable annually. The merit-based scholarship amount ranges based on the overall strength of a student's application.

Students who transfer directly from a listed "Partner School" to Pacific Northwest College of Art (PNCA) with 60 semester / 90 quarter credits will receive PNCA's \$5,000 Transfer Partner Scholarship.

All PNCA scholarships, including the merit based scholarships and Transfer Scholarship are renewable.

PNCA's 5K Transfer scholarship will be in addition to the student's merit based scholarship, Early Application Scholarship (if eligible), and external scholarships, grants, and loans.

Students are strongly encouraged to fill out the FAFSA for additional need-based aid. Students who fill out the FAFSA may qualify for an additional PNCA Grant, depending on demonstrated financial need.

PURPOSE: PNCA values the transfer student experience and engagement on campus. Our Transfer Agreements are meant to provide clarity and remove barriers, offering students pursuing a two year degree a guided pathway, additional funding, and incentivises transfer students interested in obtaining their Bachelors in Fine Art (BFA) to apply.

NOTE: High School students in running start or early college programs are not eligible for this scholarship.

Please visit our website to find out more about available scholarships [HERE](#). In addition, we are here to help you sort through the Financial Aid process. Please feel free to contact PNCA if you have any questions or need assistance. Our office is open M-F, 9am-5pm PST.
