This transfer credit guideline details transferable general education courses and a few commonly transferable courses for each of the DeVry Bachelor of Science programs. This transfer credit guideline is based on the academic year and college listed on the reverse side. This transfer credit guideline is subject to change and to transfer credit guidelines at the time of publication.

- Students must earn letter grades of A, B, or C in order to transfer them to DeVry.
- The student is responsible for having official transcripts sent to DeVry.
- It is the student's responsibility for requesting an evaluation of those transcripts by the transfer credit coordinator.
